

# VET-READY

## WORK PACKAGE 3

### Curriculum on Disaster Awareness and Life-Saving Skills

The VET-READY consortium has successfully completed Work Package 3, resulting in the development of the VET-READY Curriculum on Disaster Awareness and Life-Saving Skills.

Building on the needs identified across Europe, the curriculum provides an innovative and inclusive learning framework designed to strengthen preparedness, safety awareness, and resilience.

It supports VET learners, CVET learners, diaspora learners, and VET & CVET educators by equipping them with practical competences for effective response in emergency situations.

### Availability

The VET-READY Curriculum on Disaster Awareness and Life-Saving Skills is available in English, Spanish, Latvian, Turkish, Greek, Icelandic and Ukrainian.

## Curriculum Highlights

The VET-READY curriculum introduces an inclusive and practical learning approach designed to strengthen disaster preparedness and resilience across learning environments. It provides educators and learners with structured training materials, real-life scenarios, and interactive activities that support safe decision-making and effective emergency response.

The curriculum focuses on building practical life-saving competences while promoting risk awareness, critical thinking, and community preparedness.

By supporting diverse learners and educators, the VET-READY curriculum ensures that disaster preparedness education is accessible, relevant, and applicable in everyday life.

# VET-READY

## About the project

VET-READY is an Erasmus+ initiative dedicated to strengthening disaster preparedness through vocational education and training. Our mission is to equip VET trainers with the tools to teach life-saving skills, empowering vulnerable communities—including migrants, refugees, and Ukrainians affected by conflict—to respond effectively to crises.

## Our Vision

# Transforming Disaster Preparedness Through Vocational Training

**Through collaboration and tailored training, VET-READY fosters resilience, preparedness, and community support in the face of future disasters.**

**In a world increasingly impacted by disasters, our project serves as an innovative force, providing practical solutions to enhance resilience and ensure communities are better prepared for future emergencies.**
