VET-READY

Components of the VET-READY Curriculum on Disaster Awareness and Life-Saving Skills

Learner Presentations

Structured visual content that introduces key concepts, risks, and preparedness strategies.

Educator Support Materials

Guidance and teaching resources that help trainers deliver inclusive and effective learning.

Quizzes & Assessment Tools

Interactive questions designed to reinforce learning and evaluate understanding.

Scenario-Based Learning Activities

Real-life situations that strengthen decision-making and response skills in emergencies.

Pause & Reflect Scenarios

Real-life situations prompting learners to assess risks and consider safe responses.

The curriculum supports learners and educators by:

- building practical life-saving and preparedness skills
- strengthening risk awareness and safe decision-making
- promoting resilience across home, school, public, and natural environments
- supporting inclusive learning for diverse communities

The VET-READY Curriculum on Disaster Awareness and Life-Saving Skills is available in English, Spanish, Latvian, Turkish, Greek, Icelandic and Ukrainian.
